These breaks. For the shape. El conjuro
tiene que ser análogo a la magia del conjuro.

Analogy raises spatial questions. Correspondence: cantar el lugar que nos corresponde, a location that crosses, after all, this be a geographic arrangement, amor migrante. Un riesgo tectónico.

It's Gemini season; this is what a conversation

with the same gravity. Wounds heal from the bottom-up.

And the order of spelling is precise, but hinges on language's Achilles heel, the conditional tense: "If the desired magic is..." And again: "If what is desired..." If, then if.

Hold me like. But not like. Touch. We broke. In,
